

Langham Birds

- Key: 1 Regularly seen
 2 Less regularly seen
 3 Occasionally seen
 4 Rarely seen
 5 Not seen recently some maybe only a single sighting

I have only included species where I am satisfied I have made a correct identification. There may be others that I have not been entirely sure of. Frequency is just my impression.

Species	Seen in the local area	Garden record
Barn owl	3	
Black backed gull	3	
Black headed gull	2	
Blackbird	1	Regular
