

T2- 1 No. Ornamental cherry tree - crown thin by 10%. T3 - 1 No. Holly tree - reduce crown height from 5m to 4m, reduce crown width from 4m to 3m. T4 - 1 No. Cherry tree - reduce crown height from 8m to 5m, reduce crown width from 7m to 4m. T5 - 1 No. Apple tree - crown thin by 50%, reduce crown height from 6m to 4m, reduce crown width from 5m to 3m. T6 - 1 No. Pear tree - crown thin by 25%, reduce crown height from 3.5m to 2.5m, reduce crown width from 2.5m to 2m. T7 - 1 No. Apple tree - crown thin by 25%, reduce crown height from 3.5m, reduce crown width from 3m to 2m.

T2. Ornamental cherry tree - This tree is in a prominent position to the front of the property. However, it has been planted too close to the window and wall of the house. The proposed tree works are therefore acceptable but this tree is not considered worthy of protection by means of a Tree Preservation Order.

Recommend approval

Trees Nos. T3, T4, T5, T6, and T7 - These trees are situated to the rear of the above property. Some can just be seen from the road but they have very limited amenity value. The proposed tree works are acceptable.
